Customer Testimonials

Having an Enroute Ensuites made such a difference during our renovation. We didn't have to worry about sharing a bathroom or using a basic porta-loo. It was clean, comfortable, and felt just like a normal bathroom.

- Sarah K., Geelong

We hired an Enroute Ensuites for our bathroom renovation, and it was worth every cent. The setup was quick, and the bathroom was spotless. It made staying at home during the renovation so much easier.

- Mark L., Ballarat

I was a bit unsure about hiring a portable bathroom, but the Enroute Ensuites was fantastic. It had everything we needed, and we barely noticed we weren't using our main bathroom.

- Emily R., Bendigo

Great service and a really well-designed bathroom. The process was seamless, and the ensuite was delivered and set up with no fuss. Would definitely use again for future renovations.

- Daniel P., Melbourne

FAQ'S

Frequently Asked Questions

How long can I rent for during my renovation?

You can rent our portable bathrooms for the entire duration of your renovation project, whether it's a few weeks or several months. We offer flexible rental terms to fit your needs. inspection if you're unsure.

Is it easy to set up the portable bathroom at my home?

Yes, our team will handle the full setup and installation. The portable bathroom can be positioned conveniently outside your home and connected to the necessary utilities.

Do I need special connections or utilities?

The portable bathroom can be connected to your home's existing water and sewer lines, and also comes with its own power options, including 240V outlets and solar capability.

How much space do i need?

The unit requires a reasonably flat area outside your home, typically the size of a small parking space or driveway.
